## “LOVE & GOOD EARTH” THE DIVINE PATH TO UNIVERSAL PEACE

Saturday, November 28, 2015, WC 5245  
A 45 Minutes Keynote Speech by Claes Nobel  
Co-Founder & Co-Chairman World Peace One Foundation  
Co-founder & Chairman, The National Society of High School Scholars  
Founder & Chairman, United Earth

Your Royal Highness Sheikh Nahayan “LOVE & GOOD EARTH” to you! And “LOVE & GOOD EARTH” as well ... to all young and adult individuals of this extraordinarily, erudite audience!

It is a great honor to address students, faculty and distinguished guests of the Zayed University. My World Peace One partners Errol Wetson and Viviane Ventura ... and my son Marcus Nobel and I ... we are most grateful to be here. Thank you for inviting us!

Yes ... you heard me correctly! I greeted you by saying: “LOVE & GOOD EARTH.” Instead of saying: Hi, Hello, Good Morning, Welcome and so on ... I and many of my World Betterment Colleagues, particularly the ones in the fields of advancing: Environmental Sustainability, Universal Peace, Earth Ethics Education and Women Empowerment, we often greet each other nowadays ... by saying: “LOVE & GOOD EARTH.”

You see, the **“LOVE & GOOD EARTH”** salutation is a simple and yet very potent phrase. Yes, I say, it is as powerful and emotionally loaded as the three, sweet words of: **“I LOVE YOU.”**

Just think about the euphoric, wonderful feelings that flooded your heart, mind and body when you for the first time dared to say to the person of your Love and Desire: **“I Love you”**. Remember? Indeed ... that was a genuine **“WOW”** moment! Right?

Well, of course, even more heavenly than that ... was the moment, when your ears heard those three, words passionately coming to you ... from the lips of your beloved one.

**Good Vibes ... and The Power of Love ... launched you then ... into Cloud Nine.** Right? Remember? What a magnificent moment of euphoria!

Likewise, the **“LOVE & GOOD EARTH”** salutation is a most powerful, jam-packed **“LOVE PHRASE”** loaded with: **A HEAVENLY WAKE-UP CALL ... FROM GOD ... FROM ALLAH,**

**And please ... know as well ... the “Love & Good Earth” greeting contains and conveys: A FLOOD OF ... “RED ALERT WARNINGS” from EARTH. ... Yes, from the very Heart ... of MOTHER EARTH herself.**

It is a phrase that in a Thousand and One ways reminds and urges: All The Good People on Earth to do their level best ... to: "Change The World." To change it from what it is ... into what it could and should be.

That means to take on the herculean job of changing it from a sick, crazy world ... into A Kind and "GOOD EARTH" full of LOVE. A New World that reflects Peace, Earth Ethics, Harmony and Happiness.

Unquestionably, in view of today's absolutely absurd world conditions: when ... as examples ... an airplane with a bomb in its cargo ... crashes down in Egypt's Sinai Peninsula, killing 224 innocent passengers ...

And when crazy, bloody bullets ... filled with hate and mayhem ... darken the sky in Paris ... the City of Love and Light ... killing at least 128 innocent people... then the job of: Changing A Sick World into A GOOD EARTH requires some Heavy-Duty Lifting ... "RIGHT NOW." OK! I hope you feel likewise

We Environmentalists, Humanitarians, Peacemakers, Earth Ethics Educators and Women Empowerment Activists, we spearhead the "LOVE & GOOD EARTH" initiative.

**Because, exactly as the falling drop hollows the rock ... We World Betterment Activists, we envision how the constant, daily, widespread saying of “LOVE & GOOD EARTH” holds the hope of focusing the minds and hearts of millions and millions of the people of the world on how ... by “A Major Unity of Mind” of the human race ... to launch, relatively quickly, its absolutely foremost priority:**

**Which is ... to establish: A Dignified, Sustainable Future for both Earth and Humanity.**

**The Presently Ongoing Third Millennium Crisis is extremely severe! It is Worldwide! And ... The Impending Emergency is Massive and Genuine! The human race must change ... or it will perish!**

**Ladies and Gentlemen, Brace Yourself! Because, I will in this speech of mine ... truthfully and much to the point ... tell you about some of the most frightening and ugly stuff that today threatens Life, Living and Quality of Life for all humans on Earth ... including you and me.**

**However, I will also give you A Sound, Doable Action Plan ... A New World View ... outlining how we all can gracefully ... get out of this global mess together.**

**The Present Crises Affects All Forms of Life on Earth ... whether we are Humans, Frogs, Orangutans, Fish, A Coral Reef or A Tropical Rain Forest.**

Never before has Earth and Humanity been facing a multi-faceted, global catastrophe like this. It is a systematic, constantly growing breakdown of our fragile Biosphere and its Life Support Systems.

Ongoing worldwide, there is a most shameful geopolitical, economical, religious and environmental warfare. And it is, I am sorry to say, mostly caused by us humans. Certain human actions ... and inactions, often referred to as Earth Risks, are the root-cause of this hellish, already ongoing catastrophe.

I will tell you exactly what the Earth Risks are, how they came about and what must be done in order to get rid of them and how we can heal the world.

Human Morality and Decency ... and The World's Life-Support Systems are today in Jeopardy. They are in the process of collapsing ... much like a house of cards! They urgently need to be restored. They need OUR QUICK, MASSIVE HELP!

Yes, Ladies and Gentlemen, the God-given birthright of every human is indeed ... to have a A GOOD EARTH ... and not the opposite ... An Ugly, Sick, "BAD EARTH."

So kindly, allow me now to outline: A Humane World-Betterment-Remedy and an Urgent Call to Action:

OK! Here we go! Put on your white coats, light-green smocks and latex gloves! You are now ... together with me ... in the process of becoming Doctors and Nurses in The Intensive Care Unit of a Critically Wounded Planet ... and A Needlessly Suffering Humanity.

And, please bear in mind: At this Tipping Point Moment in Time ... when The Very Survival of Earth, Humanity and Civilization Is At Risk ... no person ... not even one single person ... can any longer afford to stand idle on the sidelines and just watch this insane, man-made World-Deterioration go by.

To do so ... that would downright be ... An Act of Immoral Stupidity ... and Gross Treason to the future wellbeing of both Earth and Mankind. We must all pitch in ... You and You ... and You ... and I! OK?

Consequently, in Order for The Human Race to Survive With Dignity ... This Sudden, Worldwide Crisis ... Calls for an "IMMEDIATE" Mega-Action of Global Change. And, immediate that means: "RIGHT NOW."

**“LOVE & GOOD EARTH” ... THE DIVINE PATH TO UNIVERSAL PEACE** is the title of this speech of mine. Kindly seek to remember ... to be inspired by ... and to conduct your lives by those WORDS of TRUTH. Here they are once more: **“LOVE & GOOD EARTH” ... THE DIVINE PATH TO UNIVERSAL PEACE.**

With all the power I have at my command, I assure you that **“LOVE”** ... is the most benign, creative force in and behind all good, worthwhile things and happenings in our world.

Therefore, conduct and Live your life guided by **The Noble, Divine God-Essence of LOVE.** By so doing you will soon discover that the **LOVE & “GOOD EARTH” MANTRA** will become more life-important to you ... than your most trusted friend ... or money in the bank.

Many cosmologists, philosophers and scientists in the fields of astrophysics and nuclear physics think that **“LOVE”** is the benign, intelligent **“Energy Force”** that is behind ... the creation of the entire universe. After having studied **Comparative Religion and Creative Philosophy** most all of my adult life ... so do I think as well.

**“Amour et Paix” ... “Liebe und Friede” ... “Kärlek och Fred” ... “Namaste” ... “Shalom” ... “Lyubov i Mir” ... “Hub wa Salam.”**

**In seven languages ... I just expressed the words and sentiments for “Love & Peace”. You know ... the mouth speaks ... what the heart is full of. My heart is a “Green Heart.” It’s brim-full of: Love ... Sweet Love ... and an Intense Passion for Peace.**

**Since 1901, when Henry Durant, the founder of the Red Cross, was awarded the first Nobel Peace Prize my family name Nobel has become a kind of international symbol ... standing for Peace and Excellence.**

**Likewise, the venerable, late Sheik Zayed bin Sultan Al Nahyan, the founder and first ruler of United Arab Emirates, has become an international and regional symbol of equally great importance. His symbolic fame hails from his indisputable ability of being: “A Good Listener ... and An Outstandingly, Effective Dispute Mediator.”**

**To produce oil and to institute social welfare for company employees and citizens are two topics the Swedish Nobel family and the Arabic Zayed family have in common.**

Alfred Nobel, together with his father and two brothers did so in Baku, Russia, in 1890 ... and His Royal Highness Sheik Zayed started likewise to do so officially ... here in Abu Dhabi, in 1971.

To All Good, Concerned Peoples of both UNITED ARAB EMIRATES and in The World at large ... I most humbly state: "In the same Noble World Betterment Spirit as evidenced by late Sheik Zayed and Alfred Nobel, that you the enlightened souls of the world band together solidly ... and by the "Power of LOVE" launch and practice THE "GOOD EARTH" AND WORLD PEACE ONE WORLD BETTERMENT CRUSADE,

I most sincerely pray this Universal Peace Effort Shall become The Foremost Priority of All Humans of: Every Race, Every Creed, Every Color and Every Political and Social Stratum.

It is said: "Better to light one candle ... than to curse the darkness." Therefore in my fivefold capacity as:

- Co-Founder & Co-Chairman of WP1 Foundation
- Chairman and Co-Founder of The National Society of High School Scholars
- Founder and Chairman of United Earth
- Senior Member of The Swedish Nobel Family

- And representing 50 years of Voluntary Service to Earth and Humanity as A National and International Activist and Spokesperson for: Earth Ethics, Environmental Sustainability, Women Empowerment and Universal Peace ... I urge you all:

“Do not light ... only “ONE” candle! ... Light millions and millions of bright, shining candles for WORLD PEACE and WORLD BETTERMENT.” Enlighten ... and Help The Entire World by Going Viral with: THE “LOVE & GOOD EARTH” SALUTATION. And also ... go viral with “THE SEVEN RIGHTS,” which most powerful World Transformation Commands of Wisdom, I soon will tell you more about.

“There is “ONLY ONE EARTH” ... And Our Beautiful, Fragile, one-of-a-kind Planet ... silently circling our Sun ... She Urgently Needs Our LOVE, Our CARE, Our RESPECT and Our COMMON SENSE HELP ... And ... She needs it “RIGHT NOW.”

In each and every one of you ... I see a potential “EARTH ANGEL.” Therefore, most humbly, I ask you all to give your Full Support to: THE “LOVE & GOOD EARTH” and WORLD PEACE ONE CRUSADES ... that now ... are beginning to sweep the world.

**My dear audience: Without doubt ... KNOW ... know in your heart of hearts ... that you are very important to the health and wellbeing of Mother Earth and Humanity!**

**Know both Earth and Humanity are at this time seriously sick! Know ... they both need you ... and your help! ... And Know: ... Mother Earth, just like your own mother, she loves you ... ever so much.**

**Yes, spread out your angelic wings! Soar! Rise to your highest potential! Create Peace and Harmony! Tell friends and foes alike the Good News about: WORLD PEACE ONE, THE NEW WORLD, THE “LOVE & GOOD EARTH” MANTRA and The Vibrant, Life-giving Energy of LOVE.**

**Become zealous advocates and activists for these noble goals, which we, rather quickly, can manifest together today. ... We can do so with the help of our smart phones and swift, nimble thumbs.**

**Ladies and Gentlemen, despite the presently most serious “State of The World Conditions” ... let me confess ... as I stand here at the podium ... in front of this diversified and most powerful audience, that: “I am Happy ... and ... I am Full of GREAT HOPE.”**

Why am I so Darn Happy? And why is my heart bursting with The Good Feelings of Love and Hope? I will tell you why! It is because of Three Great Forms of Powerful Energizing Energy ... that literally are flooding this hall. They are: 1. The Energy we find in "The Power of Youth." 2. The Energy we find in "The Power of Caring People." 3. The Energy we find in "The Power of Love."

My dear audience, you should know that in your Hearts and Minds ... and in the Hearts and Minds of all well-educated youth and adults around the world ... there exists: A Clear, Clean, and Uncorrupted Form of Energy.

You and they are ... Full of Good Vibes! And, Good Vibes are contagious! Very contagious. ... Even more so ... than Mono, Aids, Gonorrhoea, Chicken Pox and Ebola!

Today, 50% of the world population consists of youngsters below the age of 20 ... and this big section of humanity ... they represent 100% of our future.

Therefore, dear Young Scholars ... listen ... and listen carefully ... when I say: ... In Your Cool Heads and in your Warm Hearts ... there exists A Sleeping Giant ... of Immense Power.

**This Sleeping Giant is nothing less than: The Much Awaited METHOD, SOLUTION, BLUEPRINT and PLATFORM ... To Make Our World ... A Better, Safer and Saner World ... Than The One We Presently Are Experiencing.**

**To this DORMANT MEGA POWER in you guys, I shout: "WAKE UP! WAKE UP! ... WAKE UP ... A Blind and Sleeping Humanity!**

**You young students, forcefully and respectfully, tell the people and the leaders of the world that they have created: "A Fool's Paradise!"**

**Tell them to remove their Rose Colored Glasses! Tell them "Loud and Clear" that we no longer want to live in A Phony, Violent World: ... of Lying Tongues and Bloody, Cruel Hands! Of Empty Stomachs and Families Without Homes!**

**Inspire All Mankind to peacefully Advance and Manifest: "Common Sense and Common Action ... for Our Common Future!"**

**Yes, in unison shout: "No More Lies ... Just Plain Truth!" "No More Lies ... Just Pure Love!" And so on ... and so on!**

**Dear Scholars and Adults alike, with your good help ... The Concept and Ideal of: “World Betterment” and “A Good Earth ... Via Earth Ethics” and the manifestation of World Peace One has the chance to become ... YOUR GREAT GIFT ... YOUR NOBLE LEGACY ... to the Safety and Well-being of Earth and Humanity.**

**Yes, to a great deal ... Our Future Rests in The Hands of You ... Our Bright and Ambitious Youth.**

**And, no doubt whatsoever ... I dare say: “One day some of you ... my dear friends ... will be Our Future World Leaders ... Rhodes Scholars ... and Nobel Laureates.” I look forward to meet you then.**

**120 years ago, in Paris, in the year of 1895 ... The Vision and The Hope for Massive World Betterment is exactly the idea that gripped the heart and soul of my Great-Grand Uncle Dr. Alfred Nobel ... when he through his testament and last will established the Nobel Prize. And indeed, I am much inspired by his World Renowned Legacy.**

**However, my personal Humanitarian Work is not only focused upon making the Lives of People Better. It is also laser focused upon securing The Global, Sustainable, Well-being, Health, and Respect for dear Mother Earth.**

**To Bring Worldwide Attention, Support and Action for The Protection and Healing of Our Suffering Earth ... and to Stop Treating Her Like Dirt ... that is my burning life-mission as well.**

**Ladies and Gentlemen, There is “Only One Earth” ... and this Blue Pearl in Space ... Our Celestial Home ... is unique ... she harbors “The Miracle of Life.”**

**Abundantly, we find this God Created Miracle in: The Flora, The Fauna, The Water, The Air and The Soil. These elements are Holy! Together with the Rays of The Sun they constitute our life-support systems! Without them we cannot live! We would not exist!**

**You see, not only on Earth Day, which we celebrate once a year, on April 22, but all year around, there constantly beats in my chest A STRONG “GREEN” HEART. May the same be the case with all of you! Yes, “GO GREEN” ... “GO GREEN” ... that will help Mother Earth & Humanity immensely!**

**The classic American author, Mark Twain, who wrote “The Adventures of Huckleberry Finn” said: “The two most important days in your life are: The day you were born ... and the day you figure out why.”**

Ladies and Gentlemen, I will take the liberty ... to tell you all ... young and adults alike ... WHY you are born ... why you are here on Planet Earth today. Yes ... I will tell you WHY WE ALL ARE BORN ... exactly at this tumultuous period in human history ... a time of such mindboggling new inventions, fantastic discoveries and golden opportunities.

Unquestionable, today, we live in dynamic times characterized by extreme duality: where the rich are getting richer and the poor are getting poorer, where groundbreaking news about accomplishments in: science, medicine and technology are absolutely mind-blowing ... and where nuclear bombs and new, deadly germs and bacteria already are "At the ready" in the military arsenals of many nations.

For most people it is a volatile, bewildering time that plagues many of us with so much pain, so much hardship, so much needless suffering and so much uncertainty about our life and future. All very difficult issues, which right now are inundating us ... a confused and perplexed humanity. However, we can take comfort in the fact that through the process of evolution and the progress of Karma that the human race is gradually reaching its predestined goal of reaching: New, Higher Levels of Consciousness. At that time Liberty, Equality and Fraternity shall be ours to know.

**Yes, my dear audience, as promised ... I WILL TELL YOU WHY WE ARE ON PLANET EARTH!**

**You see! Earth is a school! We humans are here to learn ... The Lessons of Life. These Lessons are Mandatory ... and They Are Tough. The Curricula and Syllabuses are established and governed by The Eternal Laws ... of The Universe.**

**We humans ... the students ... are taught Many Subjects ... of both Positive and Negative Nature. This Cosmic, Dualistic, Good/Bad Form of Education will in time develop our full Human Potential in areas where we presently have great shortcomings.**

**In order to ever know "Peace and Harmony on Earth" all humanity ...young and adults alike ... of every religion, every race, every culture, every social stratum and every political affiliation needs Deep Knowledge and Truthful Education in the vitally important moral subjects of:**

**Consciousness, Compassion, Altruism, Gratitude, Righteousness, Respect, Spiritual Knowledge, Honesty, Tolerance, Patience, Ahimsa, Non-Violence and all the other forms of Virtue as contained in The Moral Ideal of "Earth Ethics" and likewise contained in the most beautiful four-letter word of: "LOVE."**

**And then, one day, hopefully sooner than later, most all Humans will master these life-essential virtues and graduate from “The Earth School” with: “Magna Cum Laude.”**

**I fully agree with the French Paleontologist and Jesuit Priest, Pierre Teilhard de Chardin, when he said: “The day will come ... when, after harnessing space, the winds, the tides, and gravitation, we shall Harness for God ... The Energies of LOVE. And on that day ... for the second time in the history of the world ... we shall have discovered fire.”**

**In order for us all to better understand where we humans have Our Strength and Our Weakness, I will most respectfully ask you all ... to Right Now ... for A Few Tranquil Moments ... to think very seriously ... and very deeply about: The Following Profound Questions: Questions ... which Mankind has grappled with ... since the beginning of times.**

**Now ... please, think, think very deeply about these questions: WHAT CONSTITUTES MY SOUL? WHAT KIND OF STUFF IS IT MADE OF? WHO AM I? WHERE DID I COME FROM? And, WHAT IS THE TRUE PURPOSE OF MY LIFE ON EARTH? Think, Think Deeply ... for a few tranquil moments ... Think ... Think Very Deeply! Very Deeply! ... .. !**

Did you just now ... In The Silence of Your Heart feel and hear ... some whispering answers? Good! Very good! What you hopefully heard ... was "The Voice of God." ... "The Voice of Allah."

You should know that, most all of my colleagues and I, who are actively involved in the rapidly growing fields of World Betterment and World Transformation, we are all profoundly opposed to and extremely ashamed by the following Ugly, Human Mind Monsters of:

Greed, Ignorance, Selfishness, Vanity and Lust for Power ... that many of Our Contemporary Leaders in Business, Politics, Religion, and yes, even in Sports and Entertainment so often ... ostentatiously are displaying.

Yes, I am sorry to say: Nowadays: "Many of Our Leaders ... have become our Misleaders. Via Mass Media, Social Networks and Smart Phones for Dumb People ... we are, as you know, constantly ... on a daily basis ... inundated by the horrors of Mankind's "Dirty Linen List" ... where we find:

- School Shootings, Stabbing and Bulling
- Terrorism, Violence, Hate, Intolerance, Brutality, Rape, Slavery, Human Sex Trafficking
- Drug Abuse, Torture, Murder and Child Molestation

- **Environmental Collapse**
- **Global Warming, Rising Sea Levels, Deforestation, Desertification**
- **Extinction of Species**
- **Exponential Population Growth, Hunger & Poverty**
- **Corruption, Oppression, Cheating, Lying, Stealing**
- **War and Preparations for War**
- **Religious, Political and Financial Conflict and Degradation, etc., etc., ad nauseam.**

**It pains me very much to give you this “Dirty Laundry List” of Ugly Human Shortcomings.** The worst of them all being **WAR** ... which my uncle Alfred Nobel called: **“The Horror of Horrors and The Crime of Crimes.”**

**The crazy, horrific, sub-human killing-machines presently launched by the inflamed brutality of ISIS and the ongoing battles in Gaza, Israel, Ukraine, Russia, Iraq and Syria, who can ever believe that these horrific, insane acts of war and monstrous cruelty can ever lead to **A Culture of Peace?****

**Has the fuse of WWII ... possibly a nuclear war ... now been lit? As Mahatma Gandhi said: *“The principle of: “An Eye for An Eye” ... will someday make the whole world blind.”***

**The “Dirty Linen List” and the possibility of A Nuclear WWII make both you and I to cringe. However, in order for us to Change the World ... we must first have The Brave Courage and The Unshakeable Resolve To Face The Naked TRUTH ... however brutal and painful it is. Because ... as the ancient Proverb states: “The Truth ... Shall Set You FREE.”**

**Most every honest and caring person in the world is today asking themselves: WHY ... WHY are these atrocities happening in our community, in our nation, in our world ... at this time ... WHY, WHY?**

**What is happening? Is there a reason ... is there a common root cause ... and ... is there a solution? Has the world gone absolutely stone crazy? How and when can we ever have: “Peace on Earth?”**

**The Naked Truth and Answer is: We are reaping the devilish results of: WRONG THINKING and WRONG DOING. The root cause of these human inadequacies is our Long-Standing and Fundamental Lack of: “PURE, DEEP, GENUINE LOVE and EARTH ETHICS.”**

**Consequently, the solution to alleviate most all of human, contemporary misery is to Educate The Children, The Youth, The Adults and The Leaders of The World in The Sublime Subject of: “LOVE & EARTH ETHICS.”**

Fortunately, this so far Missing Curriculum of The World's Educational Institutions, is now ... at last ... in the process of being developed.

As you know ... our species is named Homo sapiens ... the knowing, wise man. Now, in view of our many technical and medicinal breakthroughs, some scientists suggest we should be called ... Homo sapiens, sapiens ... the doubly wise man. Well, in view of the just mentioned Horrific Atrocities, which all are caused by us humans; I think these scientists are dead wrong. ... A more appropriate name would be: "Homo stupidus, stupidus."

Even one of the smartest scientists of our time, Dr. Albert Einstein, recipient of the 1921 Nobel Prize in Physics, and best known for his development of The Theory of Relativity and Quantum Mechanics, agrees with me when he said:

*"The Universe and Human Stupidity ... are immense. And I am not so sure... about the Universe."*

Now, in an "Educational, Best-Practice-Manner" I will give you the really most potent "WORLD BETTERMENT REMEDY" of all. It is a powerful, fail-proof prescription for Universal Peace, Environmental Sustainability and Great Personal Happiness. It is Good Medicine ... for A Sick World.

In honor of my relative Dr. Alfred Nobel, I call it: **“The Dynamite Medicine.”** **When diligently and constantly used ... this stuff can ... will ... and shall “Change the World.”** And, not only that, it will also keep you out of jail. How about that?

**This Peace Panacea ... This Universal World Betterment Remedy** is based on: **“THE SEVEN RIGHTS.”** They are:

1. **Right Thought.** **Your mind is a dynamic “Master Builder.”** **It creates reality! Dream lofty dreams! Thoughts materialize!** Everything in our universe, in the world, in this building, in this room ... yes, even each and every person in this audience ... it ... and you ... all originated first in thought. **Just think about that!**
2. **Right Word.** Words are most powerful. Once a word leaves your mouth ... not even the strength of 10,000 elephants can pull it back again. Consequently: **Watch Your Tongue!**
3. **Right Deed.** Stop talking ... start walking! Let **Love, Dignity, Honor and “TRUTH”** ... be the noble hallmarks of your character.
4. **Right Attitude.** Smile, laugh ... and be: kind, positive & helpful to all. Become and be: ... A good listener!

5. **Right Livelihood**. Step lightly on the Earth! Leave no footprints!
6. **Right Here**. You do not have to go to the faraway corners of the world. Start World Transformation and World Betterment in your own community. Start digging right in your own backyard! **You might find diamonds!**
7. **Right Now**. Do not procrastinate! No more excuses like ... you have no time! Become an active and very busy person for **World Betterment and World Change**. Create: **“THE NEW WORLD & THE GOOD EARTH”!**

**Ladies and Gentlemen! To have a Future Worth Having ... or not? That is Our Choice! By the Power of God/Allah we have been given A FREE WILL. Together We Can Change The World! And, please never forget that “LOVE” ... Pure, Sweet Love is the Golden Key to our dignified survival.**

**Consequently: Most Humbly ... I Hereby Extend An Invitation to Each and Every Person in This Audience ... and In The World Beyond This Hall as well ... to join: “The Noble, Nobel Cause of World Betterment ... Via Earth Ethics.”**

Furthermore ... by accepting this invitation ... I hereby have the great honor to appoint you all to become: **“EARTH ANGELS & GOOD EARTH AMBASSADORS IN SERVICE TO PEACE, EARTH & HUMANITY.”**

Once more, I repeat: “ Hereby I, Claes Nobel, have the great honor to appoint you all to become: **“EARTH ANGELS & GOOD EARTH AMBASSADORS IN SERVICE TO PEACE, EARTH & HUMANITY.”**”

Will you accept my invitation ... and thereby become part of **The Orderly and Timely Catalyst that Changed the World?** Yes? ... No? Let me hear ... let me hear ... loud and clear! Yes? (No?) **EXCELLENT! EXCELLENT! VERY GOOD!** I was hoping you would say so.

**Your Strong, Solid Support for “World Betterment” is giving Mankind Good Hope for how to safely navigate its uncharted future. We will do so ... guided by: The Bright, Shining Stars of: the “Good Earth” Greeting and the Worldwide Education of Earth Ethics.** And, rest assured ... Mother Earth, she is noticing your passionate actions. ... **She Is Smiling!**

**NOW BE FEARLESS!**  
**LAUNCH THE “GOOD EARTH - WORLD PEACE ONE” DOMINO EFFECT!**

**And, in your heart of hearts: fully accept, understand and practice The Seven Rights of:**

**1. Right Thought, 2. Right Word, 3. Right Deed, 4. Right Attitude, 5. Right Livelihood, 6. Right Here and 7. Right Now.**

**The Seven Rights constitute The Principal “EARTH ETHICS” Building Blocks of and for: A Third Millennium Sustainable World of GREAT UNIVERSAL PEACE and MOST BEAUTIFUL WORLD HARMONY.**

- **Yes! My dear friends “Go out in the world ... AND CHANGE IT!”**
- **Challenge yourselves! Inspire others!**
- **Comprehend vividly as real: “Humanity is One Family ... We Are All Brothers and Sisters!”**
- **Bring down Heaven to Earth!**
- **Know that you are more than Earth Doctors and Earth Nurses ... You Are “EARTH ANGELS” and GOOD EARTH AMBASSADORS!**
- **Say YES to: The Ideal of Worldwide, Universal WP 1 Actions of Peace and Harmony!**
- **Say NO to: Collapse of Nature ... and Meltdown of Human Virtue, Values and Decency!**
- **Truly know: “We are the ones ... we have been waiting for.”**

- **And please: ... Learn to listen ... and to listen really well to: "The Inner Voice" ... that always speaks in The Silence Of Your Heart! Yes, Listen to it! ... Listen to it! ... And ... Dare to follow it! Sheik Zayed did so. Follow his wisdom!**

Finally in closing, and in order to successfully shape **A Future That Is Worth Having**, the inspiring, last verses from Max Ehrman's classical poem called **DESIDERATA**, which means "**Things To Be Desired.**" (Quote)

***"You are a Child of the Universe.**  
**No less than the trees and the stars;**  
**You have a right to be here.**  
**And whether or not it is clear to you,**  
**No doubt ... the Universe is unfolding as it should.***

***Therefore, Be At Peace With God,**  
**Whatever you conceive Him to be.**  
**And whatever your labors and aspirations,**  
**In the noisy confusion of Life,**  
**Keep Peace with Your Soul.***

***With all its sham, drudgery, and broken dreams,**  
**It is still ... A Beautiful World.**  
**Be cheerful! Be happy!"** (End of quote)*

May it so be! Thank you! Thank you very much! And, **"LOVE & GOOD EARTH"** to you all!
