“LOVE SWEET LOVE”

**#5 “Love Sweet Love” ... Keynote Speech by Claes Nobel
Co-Founder & Chairman, The National Society of High School Scholars
Founder & Chairman, United Earth
Co-Founder & Chairman, In Unison**

“LOVE and GOOD EARTH” ... to you all!

Esteemed, Very Smart NSHSS Members, Distinguished Teachers and Strategic Partners, Most Important Sponsors, Dear Parents, Families and Friends, I am delighted to see you all ... thank you for being here.

I am quite sure you never heard a greeting phrase like “LOVE and GOOD EARTH” before ... and much less so ... as an opening phrase for a speech or classroom lesson.

You see “LOVE & GOOD EARTH” are the four nutshell words that I and my World Transformation colleagues are using as a common greeting phrase.

Instead of saying "Hi"... "Hello" ... "How Do You Do" ... "Good Morning" ... "Goodbye" and so on, we say: "LOVE & GOOD EARTH". We do so because we want to change the world from what it is into what it could and should be.

We want to constantly remind all humanity that is better to have a "GOOD EARTH" than the opposite of having: A SICK UGLY WORLD.

Ancient ALCHEMISTS are historically renowned for their secret efforts of seeking to find a method to transform lead into GOLD. Kilns and hot fire were used.

Today, in a similar way as the alchemists, a great multitude of people worldwide is openly seeking to transform human minds, now steeped into hate and fear, into the opposite by having GOLDEN HEARTS of LOVE.

Now, dear audience! Please listen ... kindly listen very carefully! In my keynote speech of today, I will outline a right-on, most potent and divinely timely plan, for Genuine World Betterment.

It is a mindboggling World Transformation Concept ... solidly based on finding an elegant solution to the most pressing, frighteningly difficult and confusing world reality of today.

It is A NEW MAGNA CARTA for GLOBAL SURVIVAL. It is a VISION that holds the Hope of Changing the World from what it is ... into what it could and should be.

You see, for the sake of launching A Great, Genuine World Transformation, I intend to “IMPLANT” into your hearts “The Golden Seeds ... of LOVE.” The name of my speech is: “LOVE SWEET LOVE.” I will show you the absolutely best way to: Universal Peace for the World ... and for Great Personal Happiness to YOU ... and to ...your loved ones.

I will tell you nothing but The Naked, Unvarnished TRUTH! Therefore, take my words to heart when I say: “Earth and Humanity are today suffering immensely ... and needlessly.”

Consequently, during this NSHSS, Christmas 2017 Member Event ... we will together “Right Now” and “Right Here” ... from the Grand Ballroom of the Cobb Center in Atlanta, GA, start to “Change The World.” OK!

Yes, we will together seek to significantly heal both Earth and Humanity by unleashing “The Immense, Divine Power of: ... Pure, Sweet LOVE.” This power unquestionably is the Mother-Load of all great Powers in the Universe. OK! Now ... come along for a tantalizing ride!

You my dear NSHSS Members are here today in this audience ... for only one reason ... for one reason only. Which is: You are “Very Smart”.

Now, on the subject of being SMART ... when I was a kid ... and I tell you ... that was quite a while ago ... there was a phrase saying: “It is smart to believe ... only “HALF” ... of what you hear.” Have you heard that one before? Y/N? Let me hear!

Well, from this moment ... I want you to be much more ... than being Very Smart. I want you to be: "ABSOLUTELY BRILLIANT." And that means ... to believe only in: "THE RIGHT HALF" ... "THE CORRECT HALF." OK! Do you see my point?

As you can see from our program ... the motto of NSHSS is: "LEARN, LEAD ... CHANGE THE WORLD." I think our motto should be known ... and practiced worldwide. Both our world and society badly needs a massive, immediate change! The NSHSS clarion-call-motto shows the commendable way of how to best cultivate: LOVE, LIFE and HAPPINESS.

In turbulent, chaotic times, like the ones we presently have worldwide, the NSHSS motto shows The Best and Safest Way To Our "DIGNIFIED SURVIVAL." Therefore, with all the emphasis I have at my command ... I state:

"Dear Audience: ... Be brave! Be truthful! Do not be fooled or afraid of Bullies, Self-seekers and Demagogues. Like ugly weeds in A Garden of Eden ... the world is full of them! Be Super Vigilant! Dare face The Naked Truth!

Therefore, please ... always listen attentively ... to the Silent Inner Voice of Your Heart! It will guide you properly. It always speaks ... The Truth of Truths. Have no doubt ... The Golden Thoughts, Words and Language of your HEART ... of your LOVE ... shall set you FREE."

Almost to the point of a deafening nuisance, I can hear how "The Voice of My Heart" ... "Right Now" ... roars in my chest. Yes, it shouts ... it ceaselessly S-C-R-E-A-M-S:

“The Third Millennium “SURVIVAL CRISIS” is here!”

To halt and to reverse this ugly, manmade Monster Crises ... we have to tap into, we have to, so to say, to harness, New, so far never used Mega-Transformative Forces for Genuine, Assured World Betterment.

As we speak about Earth and our future, and the great need for massive change, the words of an acclaimed US politician from the State of Illinois come to mind. The late Governor Adlai Stevenson said: “Man is a strange animal ... he generally ... cannot see the handwriting on the wall ... until his back is up against it.”

Ladies and Gentlemen, from the huge video-screen behind me, Absorb, Imprint in Your Heart ... and Please Never Forget, what the 70-foot-high, red, day-glow, flashing message screams:

”Humanity Change or Perish!”

”Humanity Change or Perish!”

”Humanity Change or Periish!”

This is a Red Alert Warning! Does it register with your hearts ... and minds? Yes? No? Let me Know! GOOD!

Because, you see, for the sake of launching and materializing quick, massive World Transformation the entire world urgently needs the powerful, enthusiastic and persuasive help of “YOU.” Yes, specifically of “YOU” ... the well-educated youth of the world! Also, please, take comfort in the fact that an ancient Proverb eloquently states:

“Where there is no vision ... THE PEOPLE PERISH.”

With their hearts deeply steeped in sadness, legions of people worldwide are noticing ... that today ... at this critical time in human history ... the world has no Unifying Vision. We are divided against ourselves!

Consequently, ... I hope humanity soon shall gain a “New World View”. A New World View that fosters GLOBAL CIVILITY and holds THE GOLDEN HOPE ... to dispel worldwide all ugly, sickening acts of war, hate, violence and terrorism.

A World View that fosters CIVILITY and The Cultivation of Love and Virtue. My colleagues and I, we pray for the genesis of this New World View to come soon ... and to work in the same miraculous manner as ... when sunshine dispels morning fog.

Yes ... The Present Crisis is staring us right in the face. It is extremely severe! It is Worldwide! The Ongoing Collapse of Civilization and Environment is rampant! You can see it everywhere! Yes, indeed ... we, the human race, must Change “RIGHT NOW” ... or ... we will perish!

Hear this! Exactly two years ago ... the now living ... **ABSOLUTELY MOST "BRILLIANT" MAN on EARTH**, the British Theoretical Physicist and Cosmologist Stephen Hawking's stated: *"If we don't change ... Earth and Humanity are headed for ... A Catastrophic Ending."*

Yes, Ladies and Gentlemen, together ... **In Unison** ...we have to **Change The World** ... and the way it is heading. We have to change it 180 degrees. Once and for all, we have to rid humanity of its sickening, self-destructing, acts of:

Hate, Violence, Crime, Terrorism, Wars, Shooting, Stabbing, Barbaric Beheadings, Rape, Megalomaniac Ethnic Cleansing and Senseless, Greedy Environmental Destruction.

I like to illustrate the present, disastrous world condition as follows: Think of a huge herd of buffalos stampeding, full speed ahead towards a deep abyss ... like the Grand Canyon in Arizona. Without change of direction they will fall over the rim ... crushed to death. Goodbye ... beautiful buffalos!

In order to survive ... **they must "CHANGE" Direction.** If they change direction say by 45° they would only somewhat delay the moment of disaster ... if they change course 90° ... then they are surviving, but they are still flirting with the likelihood of involuntary suicide on the slippery slope of disaster.

For humanity time is running short ... but we can still pull back from the edge of global disaster. HOW? How, do we do that?

Real Change, Real Improvement and Real Happiness comes only about, for both our imaginary buffalos and for A Humanity at Risk, when we change direction fundamentally ... when we slow down our present mad, blind stampede towards oblivion. For humanity that means: **A Change of Direction of at least 100°**.

Additionally, particularly here in USA ... to once and for all ... we have to rid the nation of Rampant Drug Abuse and The Horrific, Crazy Killings of Police Officers and Black Kids. It is a National Disgrace!

As I just said ... together, today, "Right Here" and "Right Now" ... we will start to change the world by unleashing "The IMMENSELY Powerful Power of ... LOVE."

To declare and to live under the aegis of Universal Peace, which visionary ideal is based upon LOVE and EARTH ETHICS, should be the foremost, most noble and most self-evident activity of all humans ... and of all sovereign nations.

Let us have the moral fortitude to cease foolish, myopic, wars and further senseless acts of confrontation in: Religion, Politics, Economy and Trade. They only divide humanity, ruin the environment ... and cause deep-rooted, needless suffering to innocent people.

Furthermore, we have to rid the world of the ugly mind monsters of: Greed, Ignorance, Selfishness, Lust for Power and Vain Vanity. Let us abolish these age-old stupidities!

Let us rise to our full human potential by becoming CIVILIZED. Let us worldwide reject Barbarianism, Despotism and Totalitarianism! May that kind of lunacy be replaced by the healing powers of LOVE, Reconciliation and Universal Peace! So, exactly ... what constitutes Universal Peace?

“UNIVERSAL PEACE”

By Claes Nobel

Universal Peace stands for much more than The Mere Absence of War. It stands for THE TOTALITY of PEACE, which means:

1. Peace within ourselves. Peace with our thoughts and feelings. Peace with our emotions. ... Having “Peace of Mind.”
2. Peace in our Personal Family. Peace with Neighbors and Colleagues. Peace in Workplace and Community. Peace among Nations.
3. Peace with People ... of other cultures, ethnicity, race, religion, gender, age and political/social affiliation.
4. Peace with The Environment. How we treat, LOVE ... and RESPECT: The Flora, The Fauna, The Water, The Air and The Soil.

5. **UNIVERSAL PEACE** means to absorb into body, mind and “**SOUL**”... the wondrous, life-giving, soothing calmness and balance ... exuding from quality time spent in **SILENCE** and **SOLITUDE** with Animals, Flowers and Trees ... with Wilderness and Nature.

6. **UNIVERSAL PEACE** means to have Peace with God. Peace with Allah. Peace with The Infinite, Eternal, **MEGA-INTELLIGENT ENERGY of “DIVINE LOVE”** that created ... and continuously creates ... The Universe.

7. The Best and Safest Way to establish **UNIVERSAL PEACE** is to zealously conduct Life and Living in **The Glorious Sign of: PURE, UNCONDITIONAL “LOVE”** ... like the beautiful, unselfish “**LOVE**” a mother has for her child.

Have no doubt ... together: “We-Can” Co-create World Harmony and Universal Peace. We can do so by tapping into the following major World Transformation Powers of:

1. Youth Empowerment
2. Women Empowerment
3. Universal Peace
4. Earth Ethics Education
5. The Seven Rights
6. **THE ABUNDANT ENERGY of: DIVINE, UNSELFISH LOVE**

Dear friends: **“Humanity is one family ... we are all brothers and sisters.”** So, let us together **RIGHT HERE & RIGHT NOW** start flooding the world with: **“LOVE SWEET LOVE” FOR ONE ANOTHER... AND FOR MOTHER EARTH.**

Most every honest and caring person in the world are today asking themselves: **WHY ... WHY** is violence and terrorism and the many scores of horrible atrocities so suddenly and so constantly flooding our schools, our communities, our nations, our entire world ... **WHY, WHY?**

What is happening? Is there a reason ... is there a common root cause ... and ... is there a solution? **Has the entire world gone absolutely stone crazy?** How and when can we ever have: **“Peace on Earth?”**

The Naked Truth and Answer is: We are reaping the devilish results of: WRONG THINKING and WRONG DOING. The root cause of these ongoing human inadequacies is our **Long-Standing and Fundamental Lack of LOVE ... of PURE, SWEET LOVE ... and our Total Lack of ... Worldwide Education in the character shaping subject of “EARTH ETHICS.”**

Consequently, the solution to alleviate most all of human, contemporary misery is to **Practice Pure, Sweet**

Love ... and to Educate The Children, The Youth, The Adults and The Leaders of The World in The Sublime Subject of EARTH ETHICS. So ... what is EARTH ETHICS?

“EARTH ETHICS”

By Claes Nobel

1. EARTH ETHICS is an apolitical, non-religious, all-inclusive, Unifying World Philosophy a “New World View” created for the purpose of guiding and advancing the human race to its full benign potential.

2. EARTH ETHICS addresses the way we humans, on an individual and collective basis, rightly treat and manage our minds, our bodies, our attitudes, our thinking, our beliefs, our feelings and our emotions. It teaches us how to become good, kind communicators ... and good, active listeners. Listen With Your Loving Heart!

3. EARTH ETHICS is about how we humans interact with and relate to: our family, friends and associates. It is about our respect, right behavior and right relationship to other cultures, religions, races, and sovereign nations. It is about tolerance, patience, dignity and kindness extended to minority groups and to people of other ethnic and social backgrounds. Practice Love & Charity!

4. EARTH ETHICS is about our interacting and right relationship with all Nature. That means how we rightly Treat, Respect and Bond with the environment, the flora, the fauna, the air, the soil and the water. Are we humans: The Destroyers or The Preservers of Nature?

5. EARTH ETHICS is about Reverence For Life & Reverence For The Creative Power in The Universe.

6. It is about our exploring, better understanding, and our best efforts given ... to align ourselves in Compassionate TRUST with ... The Eternal, Infinite and Ever So Enchanting Energy of Love and Creativity constantly exuding from the Mega Intelligent Universe.

7. EARTH ETHICS constitutes the spellbinding, abundant "Highest Level of Consciousness" ... which entity many of us call ... "GOD."

8. EARTH ETHICS is solidly founded upon the everlasting core values of: Love, Wisdom, Compassion, Altruism, Patience, Kindness, Honesty Trust and Truth.

9. Earth Ethics is like a kind of fertile soil where a civilized humanity can Cultivate The Culture of Peace.

10. By having EARTH ETHICS jointly created by leaders in education, religion, politics, business, and by scores of individuals and organizations of original thoughts, open minds and compassionate hearts, coming from all over the world, it holds the hope of becoming: The Timely Third Millennium Catalyst and “New World View” for Global Transformation to Universal Peace on Earth.

11. EARTH ETHICS is: A Blueprint for advancing worldwide “Quality of Life for All Forms of Life”. It is a “New Educational Curriculum” solidly based upon, Morale, Character, Virtue, Truth and Love ... like the unselfish LOVE a mother has for her child.

12. EARTH ETHICS teaches right human conduct and behavior in order to create: Genuine .Great Happiness, Universal Peace, World Kindness and Lasting Sustainability for Earth and Humanity and to foster True, Unselfish LOVE.”

Deep in their hearts, most humans possess, The Divine Seeds of LOVE. Unfortunately, this profoundly creative power ... the power of LOVE ENERGY ... also nowadays often called “The Truth Frequency” is in short currency.

Nevertheless, without a moments delay, we will together, Right Here and Right Now tap into the absolutely exhilarating, healing powers of: “LOVE, SONG & MUSIC.” OK!?

We will do so with the help of the mind-transforming vibes of a 50-year-old song created and launched by singer Jackie De Shannon and composer Burt Bacharach.

As a unified group of LOVE ... we will now do so together ... in order to launch: “The Great, New, World Betterment Initiative ... for The Dignified Survival of Earth and Humanity.”The lyrics of the “Love Song” will now appear on the big Video screen behind me. My dear Atlanta University ACAPPELLA Choir, could you now please come up to the podium!

The ACAPPELLA Singers will perform and conduct you. Yes, they will conduct “YOU” ... THIS VERY AUDIENCE, which means ... all of you good people in front of me ... who just now, by my personal appointment, are being promoted to and appointed as: “THE GREAT ATLANTA 2017 WORLD BETTERMENT CHOIR.” Yes! Yes! We “ARE All” ... going to sing together! OK!?

Now, to all you good Earthlings and Human Angels in this great hall, I kindly request: “Please stand up ... please stand up, ... hold hands ... spread your wings like this... and sing together with the ACAPPELLA COIR and me the grippingly, beautiful song of: “What The World Needs Now ... Is LOVE SWEET LOVE.” The lyrics of the song will appear on the big video screen behind me.

Together we will pump Love and Feel-Good Endorphin for: The Timely World Betterment Movement ... and The Great, Sweeping Wave of: Kind, Benign, Peacefull World Transformation. OK! OK!

Sing loud and clear! May the whole world hear the compassionate voices of our loving hearts! Here we go! Here we go! All of you ... Sing with the ACAPPELLA CHOIR and me! Here we go! One! Two! Three!

“What The World Needs Now”

“What the world needs now is

“LOVE SWEET LOVE”

It's the only thing that there's just too little of.

What the world needs now is “LOVE SWEET LOVE” No, not just for some ... but for everyone.

Lord, we don't need another mountain

*There are mountains and hillsides
enough to climb.*

*There are oceans and rivers enough to cross
Enough to last 'till the end of time.*

*What the world needs now is “LOVE SWEET LOVE”
 It's the only thing that there's just too little of
 What the world needs now is “LOVE SWEET LOVE”
 No, not just for some but for everyone.*

*Lord, we don't need another meadow
 There are cornfields and wheat fields enough to
 grow
 There are sunbeams and moonbeams enough to
 shine*

*Oh, listen, lord, if you want to know
 What the world needs now is
“LOVE SWEET LOVE”
 It's the only thing that there's just too little of*

*What the world needs now is
“LOVE SWEET LOVE”
 No, not just for some, oh, but just for everyone.*

**“WOW!” Thank you! Thank you! Feels good! Right? Yes!
 Yes! Now, there is genuinely GOOD HOPE and GOOD NEWS for
 having a “GOOD EARTH.”**

Ladies and Gentlemen, I urge you all: From this golden moment ... please, conduct and Live your life guided by The Divine God-Essence of LOVE. By so doing you will soon discover that LOVE & EARTH ETHICS might become more life-important to you ... than your most trusted friends ... or money in the bank.

I fully agree with the French Paleontologist and Jesuit Priest, Pierre Teilhard de Chardin, when he said: “The day will come ... when, after harnessing space, the winds, the tides, and gravitation, we shall Harness for God ... The Energies of LOVE. And on that day ... for the second time in the history of the world ... we shall have discovered fire.”

Furthermore, at this time, we should be brave ... and dare ask ourselves this absolutely horrific question:

“Is the fuse of WWII, possibly a nuclear war ... now in the process of being lit?”

For God’s sake ... we must not allow that to take place! If that Super-Foolishness of Human Stupidity happens ... then humanity will be plunged back into the dark ages.

So truthfully ... Mahatma Gandhi said:

“The principle of: “An Eye for An Eye” ... will someday make the whole world blind.”

As you know, our species is named Homo sapiens ... the knowing, wise man. Now, in view of our many technical and medicinal breakthroughs, some scientists suggest we should be called ... Homo sapiens, sapiens ... the doubly wise man.

Well, in view of the many Horrorific World Atrocities of our times ... which all are caused by us humans ... I think these scientists are dead wrong. ... A more appropriate name would be: "Homo stupidus, stupidus."

Even one of the smartest scientists of our time, Dr. Albert Einstein, recipient of the 1921 Nobel Prize in Physics, and best known for his development of The Theory of Relativity and Quantum Mechanics, fully agrees with me when he said:

"The Universe and Human Stupidity ... are infinite. And I am not so sure ... about the Universe."

Now, in an "Educational, Best-Practice-Manner" I will give you the really most potent "WORLD BETTERMENT REMEDY" of all. It is a powerful, fail-proof prescription for Universal Peace, Environmental Sustainability and Great Personal Happiness. It is Good Medicine ... for A Sick World.

In honor of my relative Dr. Alfred Nobel, I call it: "The Dynamite Medicine." When diligently and constantly used ... this stuff can ... will ... and shall "Change the World." And, not only that ... it will also keep you out of jail. ... How about that?

This Peace Panacea ... This World Betterment Remedy is based on: “THE SEVEN RIGHTS.”

The easily remembered, self-evident “SEVEN RIGHTS” constitute the brick and mortar of Earth Ethics and Universal Peace. They constitute the rock-solid foundation for having a Good Earth! They are much like a Golden Key to Pure Love ... as well as ... a Divine Path to Higher Levels of Consciousness. Consequently, they may very well represent the heavenly, predestinated way to obtain the “Good Earth” where we ... the human race can live in Peace and Harmony with each other and our life-giving biosphere.

Here are **THE SEVEN RIGHTS:**

“THE SEVEN RIGHTS”

By Claes Nobel

- 1. Right Thought. Your mind is a dynamic “Master Builder.” It creates reality! Dream lofty dreams! Thoughts materialize! Everything in our universe, in the world, in this building, in this room ... yes, even each and every person in this audience ... it ... and you ... all originated first in thought. Just think about that!**

2. **Right Word**. Words are most powerful. Once a word leaves your mouth ... not even the strength of 10,000 elephants can pull it back again. Consequently: **Watch Your Tongue!**
3. **Right Deed**. Stop talking ... start walking! Let **Love, Dignity, Honor and "TRUTH"** ... be the noble hallmarks of your character.
4. **Right Attitude**. Show Gratitude! Be patient! Smile, laugh ... and be: kind, positive & helpful to all. Practice True Love! Be: A good listener! **Listen with your HEART!**
5. **Right Livelihood**. Step lightly on the Earth! Leave no footprints! Live Life Emblazed with: **"Golden Thoughts & Green Thumbs!"**
6. **Right Here**. You do not have to go to the faraway corners of the world. Start World Transformation and World Betterment in your own community. Start digging right in your own backyard! **Dig Deep! You might find diamonds!**
7. **Right Now**. Do not procrastinate! No more excuses like: ... you have no time! Like: ... you do not care. Become an active and very busy person for **World Betterment and World Change**.

Ladies and Gentlemen! To have a Future Worth Having ... or not? That is Our Choice! By the Power of God we have been given A FREE WILL. Together We Can Change The World! Take to heart: “We are the ones ... we have been waiting for.”

NOW BE FEARLESS!

LAUNCH THE “LOVE SWEET LOVE” DOMINO EFFECT!

- **Yes! Go out in the world AND CHANGE IT!**
- **Challenge yourselves!**
- **Inspire others!**
- **Send copies of this “Love Sweet Love” speech to your friends, to the media, to our lawmakers and to the world leaders. It is posted on our website. Pay it forward!**

Dear NSHSS Honor Scholars ... please know this:

Humanity is One Family ... we are all Brothers and Sisters.
Therefore, please listen very carefully to the two last pieces of ADVICE from your Uncle Claes

**My First Advice: “Your time on Earth is a loan.
Use it well!
In Heaven you shall account for each hour.”**

My Second Advice: “In Your Cool Heads, Warm Hearts and Strong, Caring Hands ... rests the world’s finest and best hope ... for the Dignified Survival of Earth and Humanity. Be The Movers and the Shakers, the Framers ... of The New World!”

So, once and for all ... please: Learn to listen to the “Inner Voice” ... that always speaks in The Silence of Your Heart!
Yes, Listen to it! And ... Follow it!

Finally in closing ... and in order to successfully shape A Future That Is Worth Having ... the inspiring, last verses from the American poet Max Ehrman’s classical prose-poem called “DESIDERATA”... which means “Things To Be Desired. (Quote)

“You are a Child of the Universe.
No less than the trees and the stars;
You have a right to be here.
And whether or not it is clear to you,
No doubt ... the Universe is unfolding as it should.

Therefore, Be At Peace With God,
Whatever you conceive Him to be.
And whatever your labors and aspirations,
In the noisy confusion of Life,
Keep Peace with Your Soul.

With all its sham, drudgery, and broken dreams,
It is still ... A Beautiful World.
Be cheerful! Be happy!” (End of quote)

May it so be! THANK YOU! THANK YOU VERY MUCH!
And, “LOVE GOOD EARTH” ... to You All!
